Reviews of more than two hundred automobiles, four-wheel drive vehicles, and compact vans are accompanied by specification data, the latest prices, and recommendations, as well as lists of warranties, and tips on financing and insurance.

Profiles and reviews more than one hundred cars and compact vans, offering discount price lists, complete ratings and specifications, and information on changes in the new model year

Thoroughly revised and updated for 2002, the guide that has helped thousands of car and truck buyers choose the right vehicle is now better than ever. Includes full-color photos plus easy-to-read comparison charts, graphs, and specifications.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Edmund's price and review guide for new and used cars, trucks, vans, and sport utility vehicles features MSRP and dealer invoice prices, standard and optional equipment, specifications and reviews, and buying and leasing information.

For more than 39 years, millions of consumers have turned to Edmunds' buyer's guides for their shopping needs. This format makes it easy for consumers to get the advice and information they need to make a wise purchase on their next used vehicle. Readers benefit from features such as: - Recommendations for the Best Bets in the used car market - Detailed histories on popular models - Certified Used Vehicle Information - Hundreds of photographs - Glossary of Used Car Buying Terms In addition to these features, vehicle shoppers can benefit from the best they've come to expect from the Edmunds name: - True Market Value pricing for trade-in, private party and dealer retail - Highlighted yearly model changes - In-depth advice on buying and selling a used car

Reviews of more than 190 automobiles, four-wheel drive vehicles, and compact vans are accompanied by specification data, the latest prices, and recommendations, as well as lists of warranties, and tips on financing and insurance.
