Althusser And The Renewal Of Marxist Social Theory
Louis Pierre Althusser (1918–1990) was one of the most influential Marxist philosophers of the 20 th Century. As they seemed to offer a renewal of Marxist thought as well as to render Marxism philosophically respectable, the claims he advanced in the 1960s about Marxist philosophy were discussed and debated worldwide.

Louis Althusser (Stanford Encyclopedia of Philosophy)
Althusser's version of Marxism rejects both economic determinism and humanism. Criticisms of the base-superstructure model . Instead of being structured into two levels, Althusser argues that society has three levels, or structures: The economic level – all of those activities which involve producing something or meeting a need
