Blue Pelican Java answer book

type problems on each lesson and students won't be burned-out by too much of a good thing. Finally, we come to the reason for the choice of . Blue Pelican Java as a name for this book. One of the early (and free) java IDEs available for students was BlueJ and it was the first my students used. I always thought BlueJ was an elegant name and had expressed a desire to a colleague to continue ...

Blue Pelican Java Lesson 12 Exercises Answers

The short quizzes for each lesson in this section are not comprehensive and not very difficult. Normally, only basic, superficial questions are asked. The general philosophy here is for the specter of a quiz to always be hanging over the student where he knows he must quickly acquire a general working knowledge of the subject but at the same time knows he will not be asked in-depth or tricky ...
