The Web-based service assesses your knowledge with brief, objective-specific quizzes, and then it provides feedback in areas where you need further study within each objective. You are also provided with the actual study materials you need to learn in the form of PDFs from CCNA ICND2 640-816 Official Cert Guide, Third Edition, as well as other visual learning tools. After reviewing the learning materials you take another test to be sure you understand those objective concepts and that you are ready for the actual exam. When you have completed all the objectives, you can take up to two full-length practice exams, providing you a measurement on your exam readiness and helping you fully prepare for the real Cisco CCNA ICND2 exam experience. This product should be used in an instructor led classroom environment and is not intended for individual self-study
