Conquistador is a 2003 alternate history novel by S. M. Stirling. Its point of divergence occurs when the empire of Alexander the Great endures long after Alexander's death, creating a markedly different history that prevents the European conquest of the Americas. Most of the story is set in the parallel universe affected by this history.

A new alternate history of America from the author of *The Peshawar Lancers*, the bestselling novel the *Chicago Sun-Times* called "a pleasure to read" and Harry Turtledove hailed as "first-rate adventure all the way." 1945: An ex-marine has discovered a portal that permits him to travel between the America he knows—and a virgin America untouched by European influence. 21st cen.

*Conquistador by S.M. Stirling*

S. M. Stirling is the author of many science fiction and fantasy novels, including the *Novels of the Change* and the *Shadowspawn* series. A former lawyer and an amateur historian, he lives with his wife, Jan.

*Conquistador: Amazon.co.uk: S. M. Stirling: 9780451459336 ...*

*Conquistador* is an intriguing combination of conservation and conservatism, which seems rare in an age when conservatism often means placing corporations in charge of their own ecological policing, however, Stirling makes the combination work. While his characters do not seem to have any need for liberals, Stirling is able to show how social liberalism has made inroads into modern society over the last sixty years in a way that demonstrates it as a cause for the

Fans of S.M. Stirling don't need to read this  
review. If you haven't already bought this  
book, you certainly will. Stirling is right  
up there with Harry Turtledove when it comes  
to the sf subgenre of Alternate History, and  
Conquistador will no doubt continue his rise  
in this growing field. The basic premise is  
that back in 1946 John Rolfe, a WWII veteran,  
stumbles upon a gateway to an alternate  
universe (thus mining the same golden  
territory as Robert A. Metzger's Picoverse,  
Robert Sawyer's ...

*Conquistador by SM Stirling - an infinity plus review*

These sorts of tales never went away, and one such example of the former type is Conquistador by S.M Stirling. However, its high concept is poorly served by a lack of focus on the literal worldbuilding inherent in the plot, which itself leaves a lot to be desired and is populated by characters that are not given much depth.

*Ryan's Reviews - Conquistador by S M Stirling*

S. M. Stirling is the author of many science fiction and fantasy novels, including the Novels of the Change and the Shadowspawn series. A former lawyer and an amateur historian, he lives with his wife, Jan.

inevitably triumphs with panache. What more could adventure-loving readers ask for?"—Publishers Weekly Oakland, 1946. Ex-soldier John Rolfe, newly back from the Pacific, has made a fabulous discovery: A portal to an alternate America where Europeans have never set foot—and the only other humans in sight are a band of very curious Indians. Able to return at will to the modern world, Rolfe summons the only people with whom he is willing to share his discovery: his war buddies. And tells them to bring their families... Los Angeles, twenty-first century. Fish and Game warden Tom Christiansen is involved in the bust of a smuggling operation. What he turns up is something he never anticipated: a photo of authentic Aztec priests decked out in Grateful Dead T-shirts, and a live condor from a gene pool that doesn't correspond to any known in captivity or the wild. It is a find that will lead him to a woman named Adrienne Rolfe—and a secret that's been hidden for sixty years...

"This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years." - Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be

# Online Library Conquistador Sm Stirling

known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi—or for the world that he knows—will ever be the same...

In the mid-1870s, a violent spray of comets hits Earth, decimating cities, erasing shorelines, and changing the world's climate forever. And just as Earth's temperature dropped, so was civilization frozen in time. Instead of advancing technologically, humanity had to piece itself back together... In the twenty-first century, boats still run on steam, messages arrive by telegraph, and the British Empire, with its capital now in Delhi, controls much of the world. The other major world leader is the Czar of All the Russias. Everyone predicts an eventual, deadly showdown. But no one can predict the role that one man, Captain Athelstane King, reluctant spy and hero, will play...

"Utterly engaging...a page-turner that is certain to win the author legions of new readers and fans."—George R. R. Martin, author of A Game of Thrones It's spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire

# Online Library Conquistador Sm Stirling

island. When the weather clears, the island's inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.

To forge new allies in the battle against The Prophet, who seeks the destruction of the remnants of all technology, Rudi Mackenzie makes his way across the country to Nantucket, unaware that a fanatical officer in the Sword of The Prophet has been sent to stop him.

The first novel in a brand-new alternate history series where Teddy Roosevelt is president for a second time right before WWI breaks out, and on his side is the Black Chamber, a secret spy network watching America's back. 1916. The Great War rages overseas, and the whole of Europe, Africa, and western Asia is falling to the Central Powers. To win a war that must be won, Teddy Roosevelt, once again the American president, turns to his top secret Black Chamber organization--and its cunning and deadly spy, Luz O'Malley Aróstegui. On a transatlantic airship voyage, Luz poses as an anti-American Mexican revolutionary to get close--very close--to a German agent code-named Imperial

Sword. She'll need every skill at her disposal to get him to trust her and lead her deep into enemy territory. In the mountains of Saxony, concealed from allied eyes, the German Reich's plans for keeping the U.S. from entering the conflict are revealed: the deployment of a new diabolical weapon upon the shores of America...

THINK ABOUT HISTORY. NOW MAKE IT WORSE . . . The Domination of the Draka begins as a British possession in Africa, but soon becomes far more. Absorbing refugees after the American Revolution, and later the Civil War, the Draka become a people bred to rule with an iron fist. They permanently enslave the peoples of Africa, when they do not simply kill them. But this does not slake the Draka thirst for power. Sweeping across the world, the Draka empire engulfs nation after nation, shackling into servitude all who are not Draka. Europe, Asia, and finally all the Earth and its colonies throughout the Solar System fall before the might of the Draka. But empires are not faceless monoliths; they are made of individuals, complex humans with their own hopes and dreams. And so one might ask: Who are the Draka What sort of people does the Domination rule The Draka would have many different answers . . . . . and this is their story. At the publisher's request, this title is sold without DRM (Digital Rights Management). " . . an exciting, evocative [and] horrifying read." <sup>3</sup>/<sub>4</sub>Poul

# Online Library Conquistador Sm Stirling

Anderson "A vivid alternate reality . . . truly a tour de force." <sup>3</sup>/<sub>4</sub>David Drake "A potent, unflinching look at a might-have-been world whose evil both contrasts with and reflects that in our own." <sup>3</sup>/<sub>4</sub>Publishers Weekly ". . . superb action scenes, interesting characters, and a detailed if somewhat grisly world." <sup>3</sup>/<sub>4</sub>Chicago Sun-Times

Artos, the High King of Montival, must fulfill his destiny and defeat the Church Universal and Triumphant after making friends of his enemies and winning the heart of the woman he loves.#x1E.

Ten years after all of Earth's technology had been rendered useless by the Change, two thriving communities in Oregon's Willamette Valley are confronted by a dangerous new challenge when the totalitarian Protectorate prepares to seek control over their priceless farmland. Reprint.

The discovery of an alternate nation through a secret portal provokes John Rolfe to establish power in this kingdom of "New Virginia," but sixty years later in 2009, the land runs the risk of being overtaken.
