submitted to the journal. Papers submitted to the journal are now reviewed using one of four check-lists, which are designed to evaluate papers that report either a research study or a review of the literature or a systematic review or a case report. Instructions to authors and all four check-lists can be downloaded from the journal ' s website

An Example of the Critical Review of a Paper Submitted to ...

A critical review refers to the evaluation of an academic text (for example a book, report, article or essay). A critical review requires you to make judgments (using various criteria), about a book, a chapter, or a journal article. The criteria required to evaluate the information and knowledge contained in a text varies according to discipline. This implies that information technology, management, literature or
