3 In De la culture rock  
(i.e. Of Rock Culture)

Claude Chastagner

focuses less on the music  
itself than on the social,  
political and cultural  
significance of rock, and  
more particularly its  
subversive content. His  
is a cross-disciplinary  
methodology in which

Cultural change: How, then, should rock 's contribution to music history be judged? One way to answer this is to trace rock 's influences on other musics.

Another is to attempt a kind of cultural audit.

(What is the ratio of rock masterworks to rock dross?) But such approaches come up against the problem of

Rock and roll was a guitar-based sound with a strong (if loose) beat that drew equally on African American and white traditions from the southern United States, on blues, church music, and country music. Presley ' s rapid rise to national stardom revealed the new cultural and economic power of both teenagers
