Here are a few examples. Rob Vincent's dream journal – a pretty basic blog-style dream journal. He doesn't go into a lot of detail analyzing his dreams, but he often notes his general mood for the day after having the dream. Andy Zaitsev's dream journal – a collection of dreams recorded at various points from 1996 to 2003. Notice that he separates his dreams into lucid and non-lucid, and does a little bit more post-dream analysis.

Your dream fragment or dream jumble, rather than being flimsy or inadequate, is actually the perfect vehicle for you to talk to yourself and listen. That simple metaphor can speak to you. An example might be a dream image where you put on the shoes of a stranger. This can fully capture a message of compassion: to walk in another's shoes.
