Factory Girls Voices From The Heart of Modern China by ...

The factory girls are portrayed in a very human way, unlike most books which do not detail the real lives of factory workers. The girls have a hard life, but they still gain intangible things from leaving home, they learn life skills.

'Factory Girl' Sienna Miller

An eye-opening and previously untold story, Factory Girls is the first look into the everyday lives of the migrant factory population in China. China has 130 million migrant workers—the largest migration in human history. In Factory Girls, Leslie T. Chang, a former correspondent for the Wall Street Journal in Beijing, tells the story of these ...

Factory Girls (豆瓣)

Factory Girls reveals the workplace through the workers' eyes." –Financial Times  
"A real coup. . . Chang, a former Beijing correspondent for The Wall Street Journal, does more than describe harsh factory conditions. She writes about the way the workers themselves see migration, bringing us views that are rarely heard.

Factory Girls: From Village to City in a Changing China ...

The Lowell mill girls were young female workers who came to work in industrial corporations in Lowell, Massachusetts, during the Industrial Revolution in the United States. The workers initially recruited by the corporations were daughters of New England farmers, typically between the ages of 15 and 35. By 1840, at the height of the Textile Revolution, the Lowell textile mills had recruited ...
