In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation. As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the “system” is in disorder—if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years.

Download Free Give Me Liberty An American History Eric Foner

He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.
