Goldilocks and the Three Dinosaurs is a fun compliment to the traditional The Three Little Bears. The Three Dinosaurs have prepared the bait (aka chocolate pudding) and have gone for their "walk" while they wait for their prey (aka Goldilocks) to arrive. It's not long before Goldilocks stumbles across the house in the woods.

Once upon a time, there were three hungry dinosaurs: Papa Dinosaur, Mama Dinosaur and - a Dinosaur who happened to be visiting from Norway. One day, purely on a whim, they decided to tidy up their house nice and neat, make their beds up all cosy and comfortable, prepare delicious hot chocolate pudding of varying temperatures, place their chairs just so, and go someplace else. Let's be clear, they were definitely not setting up a trap for some succulent, poorly supervised little girl called Goldilocks who may wander by - ahem.

When three hungry dinosaurs lay a trap hoping to catch something to eat, Goldilocks who never listens to warnings, walks into their house and springs the trap.

Presents the wacky story of three dinosaurs, including a visitor from Norway, who insist that they have not tidied up their home and prepared yummy pudding to trap a tasty little girl.

Little Bear, all grown up, finds himself lost in a noisy, busy city where he happens to bump into someone with golden hair who remembers exactly how he likes his porridge.

A Western-style retelling of the traditional tale about a little girl who finds the house of bear family and makes herself at home.

Many years have passed since Goldilocks caused chaos at the Bears' house in the woods, but what happens when Little Bear as was wanders out of his fairytale and into the big city where Goldilocks now lives? Awarding-winning artist and animator Leigh Hodgkinson is the creator of this funny and clever fractured fairytale based on the familiar story of Goldilocks and the Three Bears. Goldilocks is now grown up with a family and a rather smart apartment, so how will she react to coming home and finding that a very lost bear has been scoffing porridge, breaking chairs and sleeping in beds? Will she be cross, or is finally time to make amends?

In a reversal of the Goldilocks story, a bear explores the home of the three Blairs while they are out.

Imagine if instead of getting the usual lollipop or sticker everywhere you go, there was something bigger on offer... something much, much bigger! This is exactly what happens when a little boy accompanies his mum on a busy shopping trip. Just when the little boy thinks he's going to die of boredom, something very unusual happens... shops everywhere are giving away a very special treat with every purchase ~ a free dinosaur! It's a dream come true... except, what exactly do you do with these Jurassic treats? And how do you convince mum to let you keep them?
