Mission Statement The mission of the Impact-Weighted Accounts Project is to drive the creation of financial accounts that reflect a company's financial, social, and environmental performance. Our ambition is to create accounting statements that transparently capture external impacts in a way that drives investor and managerial decision making.

Impact-Weighted Accounts - Harvard Business School

As a "pre-MBA" course, Harvard's HBR CORE (Credential of Readiness) covered the basics of statistics, economics, and accounting using the case study method. With so many free online courses covering the same topics from schools like Wharton and Stanford, the \$US1,500 price can seem unnecessarily steep.
