An Elephant in the 1920s and 1930s. The biblical story of Jonah and  
the whale is used as a metaphor for accepting experience without  
seeking to change it, Jonah inside the whale being comfortably  
protected from the problems of the outside world. It was published,  
alongside two other pieces by Orwell, 11 March 1

The passive attitude will come back, and it will be more consciously passive than before. Progress and reaction have both turned out to be swindles. Seemingly there is nothing left but quietism — robbing reality of its terrors by simply submitting to it. Get inside the whale — or rather, admit you are inside the whale (for you are, of course). Give yourself over to the world-process, stop fighting against it or pretending that you control it; simply accept it, endure it, record it.
