Remarkable change is the new reality of International Business. The accelerating cross-border flow of products, services, capital, ideas, technology and people are driving businesses—large and small—to internationalise. International Business 1st Australasian edition: the New Realities is a rigorous resource which motivates and prepares future managers to operate in multi-national settings, by delivering a teaching system that works. Based on the authors' collective teaching and working experience—as well as discussions with practitioners, students, and faculty staff—this is a complete teaching and learning system where cases, exercises and management skill builders are seamlessly integrated and matched to the topics in each chapter. Case studies from a wide variety of markets relevant to Australasian businesses, including ASEAN countries (e.g. Singapore, Malaysia, Indonesia) as well as China, India, Japan, South Korea, Pakistan, Europe and the Middle East, provide a real-world perspective to theories and examine the latest trends in international business. For undergraduate students majoring in international business or post-graduate courses in international business.

This comprehensive overview of international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of culture on business. Cases specific to each region or country add to the total reading experience. Topics covered include: the world's marketplaces, the international environment, managing international business and business operations. For CEOs, managers, and other executives who need to understand the cultural mores of the global societies with which they do business.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

For courses in international business. A study of international business through integrated theory and practice Balancing authoritative theory and meaningful practice, International Business: Environments and Operations engages students on the subject of conducting business in international markets. The authors' descriptions and ideas of international business are enhanced with contemporary examples, scenarios, and cases that help students effectively apply what they've learned. Now in its 17th Edition, International Business remains one of the best-selling and most authoritative international business texts available. As rigorous and practical as ever, this edition remains current through updated author-written cases and expanded coverage of relevant political, economic, social, and institutional changes.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab™ and Mastering™ platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For courses in international business. This package includes MyLab Management . International business through theory and practice Balancing authoritative theory and meaningful practice, International Business engages readers on the subject of conducting business in international markets. The authors' descriptions and ideas of international business are enhanced with contemporary examples, scenarios, and cases that help readers effectively apply what they've learned. Now in its 16th Edition, International Business remains one of the best-selling and most authoritative international business texts available. As rigorous and practical as ever, this edition remains current through updated author-written cases, including seven entirely new cases, streamlined writing, and expanded coverage of relevant global changes. Personalize learning with MyLab Management MyLab™ Management is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. 0134642295 / 9780134642291 International Business, Student Value Edition Plus MyLab Management with Pearson eText -- Access Card Package Package consists of: 0134201647 / 9780134201641 International Business, Student Value Edition 0134253345 / 9780134253343 MyLab Management with Pearson eText -- Access Card -- for International Business

Taking neither an economic approach nor a purely managerial approach to its subject matter, this work offers students an integrated resource on the subject of international business. Its main theme is the process of globalization which the authors address in great detail.

For International Business courses This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Successfully prepare students for the international marketplace. International Business illustrates how successful managers must function in a competitive world. Packed with current examples that reflect the vibrancy of the international business field, this student-friendly text offers a managerial approach that keeps an emphasis on skills development, emerging markets and geographical literacy. The sixth edition of this internationally popular text contains all the same core concepts while incorporating new and current topic coverage.

The accelerating cross-border flow of products, services, capital, ideas, technology and people is driving businesses—large and small—to internationalise. International Business 2nd Australasian edition: the New Realities is a rigorous resource which prepares future managers to operate successfully in multinational settings. Case studies from a wide variety of markets relevant to Australasian business, including ASEAN countries as well as China, India, Japan, South Korea, Pakistan, Europe and the Middle East, provide a real-world perspective to theories and examine the latest trends in international business. The second edition of International Business features 10 new in-depth case studies specially created for this edition. For undergraduate students majoring in international business or post-graduate courses in international business.
