advance its own interests; Law is a system of rules grounded on fundamental principles of morality.

## Chapter 1 INTRODUCTION TO LAW AND THE LEGAL SYSTEM

An introduction to law. This key introductory OU level 1 law module is taught entirely online and considers the nature and role of law. It examines the role and function of a legal system by considering why laws develop, how laws are created, interpreted and applied and the role that law plays in regulating and administering justice within a society.

### W101 | An Introduction to Law | Open University

A legal principle drawn from the material or significant facts and the reasoning justifying the outcome in the case; a summary of the submissions of law made by the parties; an outline of the material or significant facts proven to the satisfaction of the court;

### Introduction to Law Notes and Past Papers | Digestible Notes

For foreign law students and jurists in particular it gives a well written and very understandable introduction into U.S. law. Professor Burnham seems to intentionally address "foreigners" in certain sections explaining the similarities, but also the existing differences between the common law system and the civil law system (as he defines the central European legal system).
