~~Introductory Physical Geology Laboratory Manual Answers~~

Welcome! Our vision for this project was to create a Canadian introductory physical geology lab manual that is more accessible and affordable for our first-year physical geology students. Since this is an open text, we can also update or modify it quickly to integrate improvements. At the University of Saskatchewan, in addition to our first-year course in physical geology that includes a lab, we offer an introductory physical geology course that does not have a lab component (primarily as a ...
