Is your school lying to you? Get the career you want. Get ...

The school is lying to you. Your parents. Everyone, pretty much. I used to believe their stories that the future was made during your school days. It isn't. The future is malleable, life is long, and there's always time to retrain and do more. Studying science won't make you a scientist any more than studying sport will make you a professional footballer; and studying English and economics sure as hell won't make you a journalist.

Your school is lying to you... : Blog : News & Events ...

However small the lie may seem, remember that your children are like sponges — they may remember and catch you out on a lie that could come back to bite you later down the track! But don't beat yourself up for lying when it's in the best interests of your kids. And if you don't want to ever lie to your kids, that's fine too.

When is Lying to your Children Okay?

Complain about a school - complaints process, when to complain to the Department for Education, the Education Funding Agency or Ofsted.

Complain about a school - GOV.UK

By age 4, children know the difference between telling the truth and lying — and they know it's wrong to lie. So, generally, they're truthful, and when they're not it's obvious. But they also become more proficient at lying because they're more cognitively capable of taking into account the listener's belief of their statement.

The Truth About Lying | Scholastic | Parents

In a famine lying about whether you have any food hidden away may be vital for the survival of your family. Lying to enemies. When two countries are at war, the obligation to tell the truth is ...

BBC - Ethics - Lying

When your emotions do not match how you say or think you feel there's a good chance that you are lying to yourself. Facing the truth about how you feel allows you to address what is or is not working in that moment.

7 Signs You Are Lying To Yourself And You Don't Know It

Secondary School was a time that tested our acting abilities. We have probably told more lies in those 6 years than we will in our whole entire lives. Sometimes you would crumble on the spot other times word vomit will give you the best lie you have ever heard. The teachers blatantly know when someone is lying but they have no proof.
