Course Summary Prepare for your Kaplan Nursing Entrance Exam with this self-paced and engaging study guide. With illustrated video lessons and self-assessment quizzes, the course will help you...

Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including alternate item formats) - allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwekh, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. **UNIQUE!** Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. **UNIQUE!** The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. **UNIQUE!** Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. **UPDATED** content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. **NEW!** 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. **NEW!** Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. **NEW!** Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. **NEW!** Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. **NEW!** Additional memory notecard-type illustrations are included in the book to accommodate visual learners.

NCLEX-RN For Dummies is essential for any nursing candidate who wishes to join the workforce as soon as possible... and who wants to increase their score on the NCLEX-RN (National Council Licensure Examination for Registered Nurses). Featuring a companion CD-ROM with an extra practice test, this friendly guide provides readers with a point-by-point review of typical test questions, helping them hone their skills in each of the different

phases of the nursing process covered in the exam. It also provides savvy test-taking tips and practice exams. Patrick R. Coonan, EdD, RN (Garden City, NY), is a Professor and Dean of Adelphi University's School of Nursing. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. Promotes optimal test performance! This sought-after companion to the author's popular Fast Facts for Stroke Care Nursing is a must-have study guide for nurses seeking Stroke Certified Registered Nurse (SCRN®) status. It contains comprehensive information about the exam, answers to commonly asked questions, and savvy tips for maximizing your score, along with 300 practice questions and answers with rationales. Designed to prepare nurses for the multiple-choice format of the certification exam, questions are arranged in chapters correlating with the logical sequence and flow of the exam and reflect the number of questions in each exam category. Case studies facilitate the application of knowledge with various examples of common stroke patient situations. A complete practice exam with answers and detailed rationales enables stroke care nurses and advanced practice clinicians to ascertain their strengths and weaknesses. Appendices include a list of medications, national stroke guidelines, and neuroscience terms. Key Features: Promotes comprehensive and rigorous study for the SCRN exam Helps stroke care nurses and advanced practice clinicians maximize their scores Contains 300 exam-style questions with correct answers and detailed rationales along with a complete practice exam Includes important information about the exam itself, answers to commonly asked questions, and case studies Covers content in accordance with the test blueprint of the SCRN exam

Ace the NCLEX-RN exam with this comprehensive guide The rigorous NCLEX-RN nursing exam can be painful—and many don't pass on the initial attempt. So why not beat the odds and drastically improve your chances of acing your first time with NCLEX-RN For Dummies, 2nd Edition with Online Practice? This fully updated and revised edition is tracked to the latest NCLEX-RN exam, and comes complete with deep content review, study tips, and top test-taking strategies. You also get access to online flashcards and two practice exams with answer explanations to flesh out your technique and study. Practice with hundreds of test questions Go online for vocabulary flashcards and practice exams Find full coverage of the medical, surgical, pediatric, psychiatric, and obstetric subjects schools require for the test Written by an instructor with 38 years of hands-on nursing practice under her belt, this popular, plain-English exam prep is best-in-class and will deliver the results you want—the first time.

Mometrix Test Preparation's NCLEX PN 2021 and 2022 Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass their National Council Licensure Examination for Practical Nurses. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all NCLEX test sections Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your NCLEX exam: the concepts, procedures, principles, and vocabulary that the National Council of State Boards of Nursing (NCSBN) expects you to have mastered before sitting for your exam. Test sections include: * Coordinated Care * Safety and Infection Control * Health Promotion and Maintenance * Psychosocial Integrity * Basic Care and Comfort * Pharmacological Therapies * Reduction of Risk Potential * Physiological Adaptation ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix NCLEX study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of NCLEX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our NCLEX PN 2021 and 2022 Exam Secrets Study Guide is no exception. It's an excellent investment in your future. Get the NCLEX review you need to be successful on your exam.

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items—more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.
