The movie LUTHER covers the early years of Martin Luther's life, from his days as a monk in the early 1500s to the proclamation of the Augsburg Confession in 1530, which founded the Lutheran Church in Germany. It begins with the thunderstorm that led Luther to cry out to St. Anne, the patron saint of miners like his father, "Help, St. Anne!

By almost any reckoning, the Ninety-Five Theses ranks as the most important text of the Reformation, if not in substance at least in impact. As the anniversary of their posting on the church door in Wittenberg approaches, what better way to remember and recognize the occasion than to make this important text more easily understood by twenty-first-century readers? Timothy J.

Wengert, one of the best-known interpreters of Luther and Lutheranism active today, sets his newly translated *Ninety-Five Theses* in its historical context with a detailed introduction and illuminating study notes. To help the reader understand the context and the import of the *Ninety-Five Theses* more deeply, Wengert provides two more related and essential documents: Luther's Letter to Archbishop Albrecht of Mainz (to which he appended a copy of the Theses) and Luther's 1518 Sermon on Indulgences and Grace (written to inform the German-speaking public of his view of indulgences).

Prominent Reformation historian Timothy Wengert introduces the basic components of Martin Luther's theology of the Bible and examines Luther's contributions to present-day biblical interpretation. Wengert addresses key points of debate regarding Luther's approach to the Bible that have often been misunderstood, including biblical authority, the distinction between law and gospel, the theology of the cross, and biblical ethics. He argues that Luther, when rightly understood, offers much wisdom to Christians searching for fresh approaches to the interpretation of Scripture. This brief but comprehensive overview is filled with insights on Luther's theology and its significance for contemporary debates on the Bible, particularly the New Perspective on Paul.
