development is now available in a fourth revised edition. Combining up-to-date medical advice with issues of development and education, this is a definitive guide for parents. This is the book for anyone who has ever wanted a deeper understanding of their children's illnesses, or sought a more holistic approach to children's health. As well as comprehensively covering medical issues, it also discusses parenting techniques, education, spirituality and play -- a truly integrated approach to all aspects of raising healthy children in the broadest sense. The authors have over 20 years' experience treating children at Herdecke Hospital, Germany, which is run using anthroposophical principles. The fourth edition includes updates on treatments for tonsillitis, croup,

After studying textile design in both the USA and Finland, author Jorie Johnson was introduced to the felt making process in 1977 when she was first taught Scandinavian felt boot-making. She was immediately struck by felt's amazing properties and possibilities. Through this book, *Feltmaking and Wool Magic*, you will see that Jorie's approach to felt making is clearly creative as well as effective. The book covers in detail,
