Chapter 1: What is Organizational Behaviour? Flashcards ...

Description. Unlike any other OB textbook in the market, Neubert, Dyck, Medcof and Waller's, Organizational Behaviour empowers students to look at OB through two lenses: the traditional, core concepts that focus on how to make a company profitable, and the sustainable, collaborative, creative, and ethical decision making lens that students and many employers of today are looking for in business.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit [mymanagementlab.com](http://mymanagementlab.com) for more information.

Organizational Behavior [Essentials] 2e offers the same quality of contemporary knowledge, excellent readability, and classroom support that has made the hardback book by the same author team one of the best-selling OB books around the world - but in a smaller package. It applies four fundamental principles: linking theory with reality, organizational behavior for everyone, contemporary theory foundation, and active learning support. McShane and Von Glinow have sliced out the extended or secondary topics so students can drill down to what is really essential. Although this book is less than two-thirds the length of their comprehensive hardback textbook, it doesn't skimp on classroom support. In this era of active learning, critical thinking, and outcomes-based teaching, these supplements are becoming more "essential" than ever.

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

In their substantially revised Third Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. Acclaimed for its readability and presentation of current knowledge, this textbook's philosophy is that OB knowledge is for everyone, not just traditional managers. The new reality is that everyone -- sales representatives, production employees, physicians -- needs OB knowledge to successfully work in and around organizations. Organizational Behavior, 3rd Edition, is unparalleled in its ability to engage students by bringing cutting edge OB concepts closer to reality through the 'theory-practice link' approach. McShane and Von Glinow help readers connect OB theories to emerging workplace realities through hundreds of fascinating real-life stories from across the United States and around the world. McShane/Von Glinow's Organizational Behavior 3rd Edition also continues to be the source of the hottest topics, such as: workaholism, virtual teams, corporate social responsibility, Schwartz's values model, innate drives theory, workplace emotions, executive coaching, guanxi, appreciative inquiry, social identity theory, workplace bullying, workplace justice, and much, much, more.

Fundamentals of Organizational Behavior: An Applied Perspective, Second Edition examines the behavior of people in organizations. Topics covered range from political maneuvering in organizations (office politics) to the stresses facing people in managerial and professional positions. A conceptual framework for organizational behavior is presented, along with numerous case illustrations and examples from live organizational settings. This monograph consists of 14 chapters and opens with an introduction to organizational behavior and how it is influenced by principles of human behavior. The

three main subareas or schools of management thought are discussed, together with the difference between knowledge work and non-knowledge work; how research and theory contribute to an understanding of organizational behavior; and the distinction between structure and process. The following chapters explore how the meaning of work relates to work motivation, as well as the link between work motivation and job performance; behavioral aspects of decision making; stresses in managerial and professional life; and political maneuvering in organizations. Small group behavior, leadership styles, and interpersonal communications are also considered, along with intergroup conflict and organizational effectiveness. This book will be of interest to students, managers, and staff specialists, as well as behavioral scientists and management theorists.

For one-semester, undergraduate/graduate level courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Vivid examples, thought-provoking activities—get students engaged in OB. George/Jones uses real-world examples, thought- and discussion-provoking learning activities to help students become more engaged in what they are learning. This text also provides the most contemporary and up-to-date account of the changing issues involved in managing people in organizations. The sixth edition features new cases, material addressing the economic crisis, and expanded coverage of ethics and workplace diversity. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit [mymanagementlab.com](http://mymanagementlab.com) for more information.

For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. Organizational Behaviour, 6ce is the most student-engaging comprehensive book in the market. It makes OB relevant to students, no matter what their background, work experience or their career goals. M: Organizational Behavior, 5th edition, by McShane and Von Glinow, delivers essential Organizational Behavior knowledge in an accessible, student-focused style. This book's concise presentation of the latest OB concepts and practices is built on the main textbook's solid literature foundation, informative exhibits, relevant real-world examples, and excellent readability. It also links theory with workplace applications through OB Theory to Practice features and interesting factoids. Through McGraw Hill Connect®, students also have access to dozens of self-assessments and learning activities. Our most affordable offering, this book also adopts the view that OB is for everyone in organizations, not just for managers.
