and selected optional units.

Demonstrate all the required skills and knowledge in the workplace with all assessment criteria linked to an activity in this clear and engaging textbook, tailored to work-based learners' needs. Finally there's a textbook specifically designed for students learning on the job! With all activities linked to assessment criteria this textbook makes it easier for you to understand concepts and generate the evidence you need to succeed. Among other things, carefully prepared activities plus research and reflection tasks will help prepare you to demonstrate your knowledge and the required skills. - Produce brilliant portfolios, and fully demonstrate competencies, with all activities linked to assessment criteria. - Make Recognition of Prior Learning simple with specific links to Preparing to Work qualifications for apprentices. - Cover all mandatory units plus optional units including Dementia and Learning Disabilities. - Keep up to date with changes to legislation through the free supporting website.

The most up-to-date text available, this new edition covers the EYFS and is fully mapped to the current specs. Information is presented in an accessible way, helping students gain the necessary knowledge. The vibrant, colourful text design contains an assortment of text features, along with many new photos, bringing the world of Childcare to life.

This is a complete teaching and learning package for the 2011 specifications helping both students and tutors to get the best results.

This must-have textbook provides wider reading and broad, underpinning knowledge for Level 3 students on a range of courses.

BTEC student book for the 2010 specification BTEC Level 3 National Engineering, giving students a work-focused, approachable textbook, with all the assignment help learners need to achieve the best grade they can.

Please note: Specification changes to Unit 3 were announced by Pearson in late May 2021. These changes will apply to learners sitting Unit 3 exams from January 2022 and onwards. This means that Unit 3 within this book does not now match the revised specification. Units 4,5,6 and 7 within this book remain unchanged. There is a new Book 2 Revised Edition for the revised Unit 3 specification coming in Spring 2022. / Written by Cara Flanagan and other leading authors, two books support the Pearson BTEC Level 3 National in Applied Psychology and are endorsed for BTEC. / Book 2 covers the Extended Certificate Units and Book 1 covers the Certificate Units. The Extended Certificate comprises of four units - the Certificate Units plus Health Psychology and one optional unit. / Each book provides knowledge and evaluation of theories and studies combined with many engaging activities to deliver the vocational element; / Activities aim to prepare you for internal and external assessments; / A brilliant visual style and tone will encourage you through every step of the course.

*Unrivalled support: the student book offers complete support for the mandatory units, including those for the pathways, and valuable sector information and skills for all learners working towards a Certificate, Subsidiary Diploma, Diploma or Extended Diploma. *Help learners achieve their potential: comprehensive assessment activities, with grading tips for pass, merit and distinction to encourage best practice, independent learning and the development of specialist media skills. *Edexcel's Assignment tips: written and reviewed by experts in the BTEC team, these give invaluable advice on working towards higher grades for all assignments. *Bring the media industry to the classroom: WorkSpace case studies take your learners into the real world of work, showing them how they can apply their knowledge in a real-life context. *Develop the professionals of the future: the focus on the pathways helps learners to develop the important skills and understanding of the media industry whether they become journalists, games developers, media technicians or digital specialists for example.

This student book uses a strong visual approach to bring learning to life. It contains a knowledge section which motivates learners in the units where they traditionally struggle, a skills section focusing on the practical aspects and a projects section providing ideas for group work.
