You paint an outside wall. It rains. What happens to the paint? It runs off, of course! So it is with our students. We teach them something. We can't be bothered to do the recap, the plenary, as we don't have any ideas. They leave the lesson. They promptly forget what you have taught them. There was no point their being in the lesson in the first place. The world continues turning. This practical little book of plenaries does what it says. It delivers a series of simple ideas for how to make your lesson endings - or mid-lesson recaps - interesting, engaging and cognitively challenging. Apply the ideas in this book and your students will leave the lesson with the information you have taught them still in their heads.

Shrubs of broom grow black and twistedAs if by Devil's fingers And the wind that never ceases, Like a chorus from the dead. Those who lived here it's for certain, would grow dark and tortured too' In Jamaica Inn, at the heart of the bleak Bodmin Moor, young Mary Yellen soon discovers mysterious goings-on in the dead of night. But worse is yet to come as Mary finds herself helplessly ensnared in the deadly activities taking place around her. Evocative, atmospheric and chilling, this new adaptation of Jamaica Inn has all the hallmarks of a great adventure classic – murder, mystery and malevolence. Jamaica Inn was produced at the Salisbury Playhouse in May 2004 and was followed by a UK tour.

In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

Nineties kids will remember this nostalgic toy. The car carpet was a popular rug that featured different city buildings, roads and parks that you could "drive" a toy car on. The 90s are back in style, and what better way to turn heads than with this retro pattern notebook? Now you can carry your favorite nineties memories with you! The notebook features 120 pages of college-ruled lines. The journal is 6"x9," which is the perfect size for a wide range of uses.

A structured approach to managing behaviour for anyone who refuses to accept students' backgrounds as an excuse for underachievement.

One of the most important things about weightlifting and fitness is keeping track of your progress. Writing down your weights, reps and sets is crucial to making sure you're steadily lifting heavier and improving. A journal is really important to meeting your fitness goals. We all know that feeling after taking our scoops of pre workout supplements. The rush of adrenaline before crushing your reps and sets and setting new PRs at the gym that day. Pre workout makes us feel like a grizzly bear riding a shark with a machine gun. This is a great journal for any fitness buffs who love to take pre workout before their weightlifting routine. Most lifters will agree that pre workout is an important part of their gym routine. Flex on! This journal has 150 wide ruled pages and is 5.06" x 7.81" - a great size to take to the gym.

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

This is Blatty's story of his youth in Manhattan, and of his Lebanese mother who became a single parent with five children in the 1930s. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
