Use rule-based investment strategies to maintain trading and investment discipline, and protect yourself from fear, greed, pride, and other costly emotions! Since the mid-1990s, assets under management in rule-based or non-discretionary hedge funds have outgrown those in discretionary or qualitative funds. Recent research shows that rule-based funds have outperformed discretionary funds on a risk-adjusted basis over the past 30 years, and have especially outperformed during recent financial

In her exceptional book on Rule Based Investing you can set the agenda, and you can learn how to set the right rules for what you want to achieve. As Chiente summaries - " Achieving strong stable returns does not require excessive complexity or genius-level intellect, but rather the ability to apply basic rules in a regular and disciplined manner across diverse asset classes over the long term".
