Hailed by one reviewer as the creative business 'bible,' and considered the authoritative book on the subject for over ten years, The Business Side of Creativity is back, updated and revised to include even more invaluable facts, tips, strategies, and advice for beginning creatives. Every year the market for creative services expands, but the competition is increasing even faster. Today, success hinges not on talent alone, but on a thorough understanding of the business side of creativity. The Business Side of Creativity is the most comprehensive business companion available to freelance graphic designers, art directors, illustrators, copywriters, and agency or design-shop principals. Cameron S. Foote, a successful entrepreneur and editor of the Creative Business newsletter, guides you step-by-step through the process of being successfully self-employed - from getting launched as a freelancer to running a multiperson shop to retiring comfortably, and everything in between. Sample business forms and documents to help put the information into practice are included in the appendixes, and are available for downloading at [www.creativebusiness.com/bizbook.html](#). How should you organize? What should you charge? What marketing techniques yield the best returns? How do you know when it's right to expand? What are the most effective strategies for managing employees? How can you build salable equity? The Business Side of Creativity delves into these questions and hundreds more and gives you practical, real-world answers and invaluable expert advice.

A guide to launching a profitable entrepreneurial venture in less than a month shares practical exercises and inspiring stories about how to plan, launch, and refine a side business with minimal revenue and without having to quit a full-time job.

Start a successful business mid-life When you think of someone launching a start-up, the image of a twenty-something techie probably springs to mind. However, Gen Xers and Baby Boomers are just as likely to start businesses and reinvent themselves later in life. Never Too Old to Get Rich is an exciting roadmap for anyone age 50+ looking to be their own boss and launch their dream business. This book provides up-to-date resources and guidance for launching a business when you're 50+. There are snappy profiles of more than a dozen successful older entrepreneurs, describing their inspirational journeys launching businesses and nonprofits, followed by Q&A conversations, and pull-out boxes containing action steps. The author walks you through her three-part fitness program: guidelines for becoming financially fit, physically fit, and spiritually fit, before delving more deeply into how would-be entrepreneurs over 50 can succeed. • Describes how you can find capital to start your own business • Offers encouraging stories of real people who have become their own bosses and succeeded as entrepreneurs • Written by PBS Next Avenue's entrepreneur expert, Kerry Hannon • Teaches you how to start your own business Never Too Old to Get Rich is the ideal book for older readers looking to pursue new business ventures later in life.

Cleanlots has been described as "America's Simplest Business" and "almost as simple as a walk in the park". Entrepreneur magazine said parking lot litter cleanup is "a simple, inexpensive and potentially lucrative business to get into, and the market is growing". The Cleanlots book is an operations manual on how to start and operate a parking lot litter cleanup business. Each book purchase includes FREE email and telephone support from the author. Since 1981, author Brian Winch has made a six-figure annual income cleaning up litter from parking lots, and he'll teach you to do the same. It's an excellent way to take control over your life and income; you can start this business with very little money, without a college education or advanced computer skills. It's an ideal business for anyone who likes to work outside, who's responsible and can pay attention to detail. You can also operate this business part-time, as a side hustle until you're ready to go full-time.

Every year the market for creative services expands -- but the competition is increasing even faster.
