~~South Pacific Anchorages | Noonsite~~

South Pacific anchorages add a new dimension to parking the boat. Coral heads snag anchors, tangle and abrade anchor chain, and chew up nylon rode. This is not helpful to the common illusion of what South Pacific cruising is supposed to be like; nor is it good for living coral, in my view the most spectacular of all living things.

We left England in 2011 aboard Adamastor, a Crossbow 42, intending to circumnavigate in a couple of years. After crossing the Atlantic and enjoying several months in the Caribbean we reached Panama, where we decided to start a family.

Details of harbours and anchorages in the Pacific south of the equator between New Guinea and South America.

The only complete cruising guide to the islands of the Pacific . . . a must. —Islands "A trove of information for the cruiser planning to set sail for the Pacific. . . A very readable, easy-to-follow guide." —Santana The fifth edition of this sailing standard includes updated charts and text reflecting changes in regulations and facilities for most countries and specific ports of entry. New appendices include procedures for entry to Australia, which are more exacting than most Pacific landfalls, and an extensive list of information sources: cruising guidebooks, important general tourist guides, chart suppliers, and key web sites for the countries covered by Landfalls of Paradise.

The Pacific Crossing Guide is a complete reference for anyone contemplating sailing the Pacific in their own boat. From ideal timing, suitable boats, routes, methods of communication, health and provisioning to seasonal weather, departure and arrival ports, facilities, likely costs and dangers, the comprehensiveness of this new edition will both inspire dreamers and instil confidence in those about to depart. This new edition has been completely restructured with Part 1 covering thorough preparation for a Pacific crossing and Part 2 covering Pacific weather patterns, major routes and landfall ports, with useful website links throughout. There are completely new sections on rallies, coral atolls and atoll navigation, the cyclone season and laying up, use of electronic charts, satellite phones versus HF radio, ongoing maintenance, and Pacific festivals. Completely updated, expanded and refreshed for the new generation of Pacific cruisers, this is the definitive reference, relied upon by many thousands of cruisers.

Sail with Mary and Bruce on a 13,000-mile adventure from Seattle to legendary South Pacific Islands and home again. From magical sights and scents of their first tropical island landfall to the bustling, colorful Tahitian markets. From sudden midnight squalls and a cyclone in Samoa to pristine anchorages in the Kingdom of Tonga. Share the adventure as they fulfill their dream.

One of the finest cruising grounds in the world, the Inside Passage is a boater's paradise with hundreds of pristine islands, inlets, and anchorages. Written by former "Pacific Yachting" columnist Vipond and her husband, this resource profiles more than 200 anchorages and destinations. 450 color photos.
