"HOW DOES EDMONDS Real-World Examples The text provides a variety of thought-provoking, real-world examples of financial and managerial accounting as an essential part of the management process. The names of the real-world companies used in these examples are high-lighted in blue font to facilitate their identification. The Curious Accountant Each chapter opens with a short vignette that sets the stage and helps pique student interest. These pose a question about a real-world accounting issue related to the topic of the chapter. The answer to the question appears in a sepa-rate sidebar a few pages further into the chapter. Focus on International Issues These boxed inserts expose students to international issues in accounting. "The Curious Accountant and Real-World Examples, all make the text better and would make it a pleasure to teach from." VIVIAN WINSTON, INDIANA UNIVERSITY"--

This text provides a contemporary introduction to accounting and accounting systems. It covers the essence of both financial and managerial accounting in a non-procedural, non-debit and credit manner. After a brief introduction to financial statement preparation, the remainder of the text focuses on controls and the use of accounting information in decision making.

David Spiceland, Wayne Thomas and Don Herrmann have developed a unique text based on over 50 collective years of experience in the classroom. They've brought together best practices like highlighting Common Mistakes, offering frequent Let's Review exercises, integrating the course with a running Continuing Problem, demonstrating the relevance of the course to non-majors with a Career Corner, and communicating it all in a student-friendly Conversational Writing Style. The new 2nd edition of Financial Accounting, Spiceland, Thomas, Herrmann, has been developed with feedback from over 330 reviewers and focus group participants from across the country. The following list of changes and improvements is a testament to the many hours that reviewers spent analyzing the 1st edition, helping make Financial Accounting, 2nd edition, the best book of its kind.

SURVEY OF ACCOUNTING, 5E, International Edition provides an overview of the basic topics for financial and managerial accounting, without emphasizing the use of debits and credits. Written for students who have no prior knowledge of accounting, this text emphasizes how

accounting reports are used by managers, investors, and other business stakeholders. The unique Integrated Financial Statement Framework shows how transactions impact the three primary financial statements, showing the integrated nature of accounting. The Fifth Edition offers CengageNOW as your premier online homework solution.
