But Hartraf's company arrives at the same time as a Tsurani patrol, and both sides discover the stronghold overrun by a migrating horde of dark elves called moredhel, a foe so deadly and vicious the bitter enemies must band together and fight as one. But can their hatred for their mutual enemy overcome their distrust of each other? As the two groups, bound to each other by their common foe, make their way across the unknown Northlands to freedom, they have to struggle with not only the elements and the enemy, but also their consciences.
