"The Face behind the Mask!" The words resonate with mystery and excitement. But in reality it’s a rather sad concept because the person who hides behind a mask may be dealing with certain personality issues. We’ve all come across people who hide behind their masks – people whose real personalities are hidden behind a facade.

Revised and Updated, this Third Edition of Phantoms of the Opera: The Face Behind the Mask includes lots of new material from the Gerard Butler-Emmy Rossum Phantom as well as dozens of other productions that have come out in the 15 years since the book was last printed. Mention The Phantom of the Opera at a dinner party, and each guest will have his or her own vivid, almost visceral, recollection of the tale of a disfigured musical genius and his unrequited love for a beautiful, young singer. Someone will undoubtedly pantomime the famous scene from the silent era film in which Mary Philbin (as Christine Daae) sneaks up behind the Phantom, while he is playing the organ in his subterranean lair, and unmaskes the great Lon Chaney, revealing his horribly disfigured face to the audience and her. Another guest is likely to burst into song, recalling The Music of the Night from the Andrew Lloyd Webber musical. Still another guest may describe the scene in which the Phantom cuts the cables free and sends the magnificent chandelier crashing down upon the patrons of the Paris Opera House. The original story contains so many richly textured scenes that each of us, at one time or another, has been seduced by the Phantom, and embraced the dark, labyrinthine world of author Gaston Leroux. Most of the productions have been as equally rich with great scenes and great performances. This book is a tribute to Leroux, his most famous novel, and those adaptations inspired by it.

Class was stamped on every contour of her body, but the faint wisp of fear clung to her person. Gladys Pervins was a woman who had slipped on the path and was paying the price. Her husband, a reclusive yet extremely jealous scientist who spends his nights alone in the laboratory, gave her nothing in the way of marital bliss. So, when an attractive, young man named Bertie enters her life, she cannot help but to give in to one forbidden kiss, destined to be forgotten after the sun rises. But, the flash of the camera is forever! Now, as Mrs. Pervins is being blackmailed by an unknown culprit with a picture of her fateful kiss, she is destined to relive her star-crossed kiss night after night. So, she hires Race Williams, Confidential Agent, to solve the case and save her from the wrath of her jealous husband. And although Race has the skills to solve any case set on his desk, one picture may soon spin into a collage of conspiracy! Story #6 in the Race Williams series. Carroll John Daly (1889–1958) was the creator of the first hard-boiled private eye story, predating Dashiell Hammett's first Continental Op story by several months. Daly's classic character, Race Williams, was one of the most popular fiction characters of the pulps, and the direct inspiration for Mickey Spillane's Mike Hammer.

Jasmine is forced to face her darkest fears in this Creepover tale that’s as scary as they come. Jasmine Porter has always let her fear of the dark get the better of her: she even checks every nook and cranny of her room each night for monsters before she hides under the covers! But Jasmine’s imagination kicks into overdrive when her dad brings home a creepy mask—a mask that looks eerily like the face of the boogeyman haunting Jasmine’s dreams. Though her dad insists the mask is supposed to protect their home from evil spirits, Jasmine won’t rest easy until the mask is gone. But Jasmine soon finds out that the mask may be harder to get rid of than she thought... This nightmare in disguise is rated a Level 5 on the Creep-o-Meter.

In a powerful and harrowing life-story of deprivation, suffering and ultimate overcoming, one woman's personal struggle is depicted in raw, often brutal detail. This complex testimony of living in a dysfunctional family, with physical and sexual abuse at the hands of a volatile but clever stepfather with the verbal skills to talk his way out of trouble, leaves no scenes off limits. Mistreatment from an early age, deceit and betrayal by one parent and passive complicity of the other, make for challenging reading. Institutional failings and lost opportunities to intervene are laid bare as a life heads into a downward spiral of petty crime, drugs and declining mental health. The candour and courage of the author's recollections should serve as a warning to the curious onlooker and her ultimate vindication in the search for justice as an inspiration to those similarly affected.
