The soul is legitimate, period. It doesn't need validation. At least that was my perception and so I wrote The Seat of the Soul to share the things that were most important to me. The Dancing Wu Li Masters was designed to open the mind and The Seat of the Soul, is a book designed to open the heart. And this is often the sequence that many people encounter as they move into an expanded awareness of who they are and why they are here.

The Seat of the Soul by Gary Zukav

External Power vs. Authentic Power. Zukav argues in The Seat of the Soul for a new kind of evolution, a spiritual evolution of our species instead of a physical one. The terminology he uses is that we are evolving from five-sensory to multi-sensory beings. As five-sensory beings, we strove for mastery over the world around us, the things we could see, hear, smell, taste and touch.

It's not as difficult to assert that the heart is indeed the seat of the soul. That at least can be experienced. It's the realization of the Self or Soul, hidden in the depths of the heart, that will set us free from the wheel of birth and death associated with the Third Dimension.

The Heart is "the Seat of the Soul"

The Seat of the Soul encourages you become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations.
