Dear Jerk Across the Street, sorry for accidentally walking in on you and catching an eyeful of your--equipment. And hard pass on the open invitation to join you in the shower "anytime", A-hole. That's the note I should've written. Instead I sent a pleasant and apologetic version. Had I known Phoenix "Nix" Russo would've been the neighbor from hell, I'd have told him right where he could shove my words. Nix is the big man on campus with everyone lined up at his games to make sure he knows it. Sure, he's got piercing blue eyes, abs that don't quit and a smile that could set fire to a set of panties from a hundred yards away, but he's also the biggest pain in my ass. Dear Pink-Haired Menace, learn how to take a joke and stop being such a kill-joy... Elle Masterson called the cops on one of my parties--again. My sweet talking usually gets me

out of trouble, but this time it got me into a nice pair of silver handcuffs. Now I'm on a reputation rehab tour with a stop at a spring break community service project. Guess who's my new boss? Now we're shoulder to shoulder, sweaty, tired and...she's not anything like I expected. There might just be a heart under that hardass exterior. She's invading my dreams and I can't shake the feeling she's the key to unlocking a piece of me that I've hidden away. It's only a matter of time until she finds out why I'm really here. Maybe I can break through her walls and into her heart before that happens...one screw at a time. **The Second We Met is a standalone new adult romance**

'Wow! I have been blown away... I am struggling to express in words how much I enjoyed this, which I devoured in less than a day. Perfect for fans of Mary Jayne Baker, Portia Macintosh and Holly Martin.' Netgalley reviewer ?????? What if you met The One on his wedding day? Izzy doesn't believe in love at first sight, but when Sam walks into the cafe where she works one cold December morning, she knows without a doubt that he's The One. Too bad Sam's getting married. Today. Nearly a year later, Izzy still can't stop thinking about Sam, the one that got away, but she knows it's time to move on: he's a married man and probably wouldn't recognise her if he passed her on the street. But Sam has never forgotten Izzy, the funny, gorgeous woman who asked him out on his wedding day. If the timing had only been better, he knows they could have had something wonderful. When Izzy and Sam's paths finally cross again, everything has changed. But with the Atlantic Ocean and decades of baggage between them, they are about to find out whether some obstacles are too big for even true love to overcome.
