The visions of Anne Catherine have a  
capacity to make Christianity  
understandable and a potential for renewal  
and intimate approach to the message of  
Jesus, which is difficult to find an event of  
such significance in recent centuries. It is  
now up to each one of us to make the  
small effort to get closer and know His  
message.

And the Tower of Babel? Anne's gift of spiritual visions allowed her to automatically "see" these things as she heard the stories. As a little girl, she assumed everyone else could see these things as clearly as she did, but then she learned that is not the case. Her visions add so much depth and shed light on many points of sacred scripture.

The daughter of a peasant couple, Anne Catherine Emmerich worked as a seamstress and servant before entering an Augustinian convent in 1802 at age 28.

Frail and pious, she became known for her ecstasies, visions of the supernatural and "conversations" with Jesus.

A book from Anne Catherine Emmerich, is like her 3 vols "The Visions" to be treasured as a gift from God literally. As a Catholic I especially appreciate reading of life as it was exactly from Jesus, Mary and other key persons in their lives. My spirit is elevated by Anne`s gift of mystical visions.

Anne Catherine Emmerich is revered as one of the greatest mystics of the Catholic Church. I have taken some writings of the visions of Anne Catherine Emmerich and made this video regarding the signs of the end times. She specifically prophesied about the 2 popes. It is only now in our time that the prophecy of the two popes have come true.

The visions of Blessed Anne Catherine Emmerich are the world's greatest source of detail on the life of St. Mary Magdalen -- great sinner and penitent. Fully referenced to The Life of Jesus Christ (their source), these pages agree completely with Sacred Scripture, but also tell of Mary Magdalen's sinful life from age 9, her extravagant attire ...

Anne Catherine Emmerich had this vision, which regards a wicked pope at Rome establishing worship for all gods in the Church, 200 years to the day that Bergoglio has called upon all religions to pray together, on May 14, 2020 is not coincidental, unless of course it was willed by Bergoglio precisely to indicate that he recognizes himself as the Anti-Christ in this vision.

She was born in Flamschen, a farming  
community at Coesfeld, in the Diocese of  
Münster, Westphalia, Germany, and died  
at age 49 in Dülmen, where she had been a

Emmerich experienced visions on the life

revealed to her by the Blessed Virgin  
Mary under religious ecstasy. During her  
bedridden years, a number of well-known  
figures were inspired to visit her. The poet
