West Side Story Summary and Study Guide | SuperSummary

Riff's world is small, focused on the Jets as family, the Sharks as enemies, and turf as everything. He attempts to impose rules and order on the gang war by organizing a War Council, and tries to shake Bernardo's hand at the start of the rumble as a sign of civility and decorum.

West Side Story Character Analysis | SuperSummary

In the 1960s, Shulman wrote biographies of Jean Harlow and Rudolph Valentino, and a novelization of the film *West Side Story*. Shulman died of Alzheimer's disease in 1995. West Side Story by Irving Shulman (1977, Hardcover) for ...

West Side Story is about racial tensions imposed on families of struggling immigrants. In fact, the musical was originally called *East Side Story*, and was supposed to tell the story of the Irish Catholic Jets and their anti-Semitic aggression toward the Israeli Jewish gang, the Emeralds, on the Lower East Side of New York. The Jets are not, as is commonly assumed, the "white" gang.

Tony and Maria find their love threatened by the hatred of two rival New York street gangs

A modern-day *Romeo and Juliet* story that vividly portrays a love relationship between rival gang members. Based on the Broadway musical.

The classic novelization of one of Broadway's most enduring and beloved musicals, updated with a beautiful new cover. Maria is young and innocent and has never known love-until Tony. And Tony, searching for life beyond the savagery of the streets, has discovered love for the first time with her, too. But Maria's brother is the leader of the Sharks and Tony had once led the rival Jets. Now, both gangs are claiming the same turf and with tensions rising to the point of explosion, it seems there is no way to stop a rumble. Tony promised Maria that he would stay out of it. But will he be able to keep his word or will their newfound love be destroyed by violence or even death? Evocative and unforgettable, this novelization brings out all of the depth, drama, and beauty of one of the most enduring stories in the history of American theater.

Two young people living in the slums of New York try to make a life for themselves.

A critical and comprehensive exploration of the influential Broadway musical analyzes *West Side Story* against a backdrop of its cultural period while considering its reflection of both classical Shakespeare conflicts and modern youth issues. Original.

A captivating, richly illustrated full account of the making of the ground-breaking movie classic *West Side Story* (1961). A major hit on Broadway, on film *West Side Story* became immortal-a movie different from anything that had come before, but this cinematic victory came at a price. In this engrossing volume, film historian Richard Barrios recounts how the drama and rivalries seen onscreen played out to equal intensity behind-the-scenes, while still achieving extraordinary artistic feats. The making and impact of *West Side Story* has so far been recounted only in vestiges. In the pages of this book, the backstage tale comes to life along with insight on what has made the film a favorite across six decades: its brilliant use of dance as staged by erstwhile co-director Jerome Robbins; a meaningful story, as set to Leonard Bernstein and Stephen Sondheim's soundtrack; the performances of a youthful ensemble cast featuring Natalie Wood, Rita Moreno, George Chakiris, and more; a film with Shakespearean roots (*Romeo and Juliet*) that is simultaneously timeless and current. *West Side Story* was a triumph that appeared to be very much of its time; over the years it has shown itself to be eternal.

They came together to be rival gang members in a movie. They hadnt a clue they were creating cinematic history. WEST SIDE STORY , winner of ten Oscars including best picture. Is there anyone who doesnt know this iconic film that transcends generations? Yet very little is known about the rivaling Jets and Sharks, who were the backbone of the film and without whom there is no WEST SIDE STORY . Little if anything is known of how these gifted dancer/actor/ singers were chosen, their audition experience, how each member was hand picked by Jerome Robbins because their unique qualities fit his vision.

The *Big Brokers* is an explosive novel of America's jungle. Here is the story of three New York boys, Mitch, Larry and Bull, who took Las Vegas by storm-and then turned their guns against their bosses' bosses. Authentic and shocking, *The Big Brokers* exposes the inner workings of the syndicate. It is a masterful chronicle of men and women who choose crime as a way of life.

For nearly half a century, the greater Lawndale area was the vibrant, spirited center of Jewish life in Chicago. It contained almost 40 percent of the city's entire Jewish population with over 70 synagogues and numerous active Jewish organizations and institutions, such as the Jewish People's Institute, the Hebrew Theological College, and Mount Sinai Hospital. Its residents included "King of Swing" Benny Goodman, Israeli prime minister Golda Meir, journalists Irv Kupcinet and Meyer Levin, federal judge Abraham Lincoln Marovitz, civil rights attorney Elmer Gertz, Eli's Cheesecake founder Eli Shulman, and comedian Shelley Berman. Many of the selected images come from the author's extensive collection. This book will bring back memories for those who lived there and retell the story of Jewish life on the West Side for those who did not. No matter where the scattered Jews of Chicago live now, many can trace their roots to this "Jerusalem of Chicago."
