These resource books for teachers provide strategies and tools to help your students get the most out of each vocabulary lesson. Divided into easy-to-navigate sections rather than holistic lessons (e.g. answer key, lesson review, lesson review answers), the first portion provides the teacher with the latest in vocabulary research, as well as strategies and techniques for teaching a sample lesson. The remainder of each book is divided into sections for the student book answer key, lesson review exercises (which may be used as extension/review/alternatives), lesson review answer key, tests, the test answer key, and a word list on the inside back cover.

Analogies 1 is instructional material. It presents a step-by-step approach to analogy problem-solving that makes mastery of the techniques manageable for students. Strategies include creating "bridge sentences" as a tool for examining analogies, looking out for words with more than one meaning, solving 2-step analogies, and identifying various types of analogies. These techniques are taught in depth in Book 1 and are reviewed in Books 2 and 3. Grades 7-8.
