your rugged constitution - oarauk.environmental-rock.org.uk
Your Rugged Preamble. The nation's founding document, as imagined by the midcentury American imagination. In 1952, Stanford University Press published a guide for young American readers to aid them in their understanding of the United States Constitution. Now in reissue over 60 years later, the book not only serves its original purpose, as a concise resource on the history and purpose of the nation's founding document, but it also offers a window into the patriotic imagination of the ...

Your Rugged Constitution proceeds through the text of the Constitution with descriptions that are put in clear, easy-to-understand language, accompanied by commentary and lively drawings so you can easily grasp all the ideas and concepts. Under each section and clause, you (yes, you, fellow American!) learn which powers you give to the federal government, and what you get in return.

Your Rugged Constitution: Findlay, Bruce Allyn, Findlay ...
Our Rugged Constitution will make its re-appearance soon, for our use, and this book will help us appreciate it all the more. If you want to learn about a subject, start with the books for kids -- they have to be edited well and written clearly. This one certainly is all those things. 6 people found this helpful

Your Rugged Constitution was first published sixty-four years ago. It quickly became a go-to resource for generations of young Americans (and some older ones too) who wanted to understand the guiding principles of our nation. Now in reissue, this truly rugged and much-admired classic is sure to inform, and also delight readers with its retro 1950s ethos. Your Rugged Constitution proceeds through the text of the Constitution with descriptions that are put in clear, easy-to-understand language, accompanied by commentary and lively drawings so you can easily grasp all the ideas and concepts. Under each section and clause, you (yes, you, fellow American!) learn which powers you give to the federal government, and what you get in return. Your Rugged Constitution helps readers understand that the Constitution is no mere historical document, but an important contract between you and your government.

The Constitution of the United States--from Preamble through Amendments--is explained by means of a new approach which shows how each part of this historic document is as vital and functional today as it was at the beginning of our national life.

Each part of the famous document is explained and interpreted in order to point up its meanings and its significance today
